Program Purpose

The purpose of this PGY-1 community-based pharmacy residency program is to build on the Doctor of Pharmacy (PharmD) education and outcomes to develop community-based pharmacist practitioners with diverse patient care, leadership, and education skills who are eligible to pursue advanced training opportunities including postgraduate year two (PGY-2) residencies and professional certifications

Program Description

This novel residency program is based out of an innovative, independently-owned pharmacy located in Denton, Texas. The program is a blend of longitudinal and concentrated learning experiences that will include implementation of disease prevention programs, pharmacist-managed clinics, compounding, specialty pharmacy services, and independent pharmacy management and ownership. Residents will be appointed as assistant instructors and assist in the delivery of the Texas Tech School of Pharmacy curriculum including didactic and laboratory courses. The appointed teaching campus is located at the Dallas Regional Campus in Dallas, Texas. This will be the second year of this residency program and it is not yet ASHP-accredited.

Required Rotations (Longitudinal)

Orientation
Traditional/Specialty Pharmacy Services
Ambulatory Care
Academia (Teaching Certificate optional)

Other Requirements

Continuing Education Presentations
Community and School Service
Research and manuscript writing

Program Leadership:

Deeatra Craddock, Pharm.D., BCACP

Residency Program Director

4400 Teasley Lane Suite #100

Denton, Texas 76210

Pharmacy: (940) 382-1618 | Office: (214) 358-9025

deatra.craddock@ttuhsc.edu

About Deeatra:

Deeatra S. Craddock is an Assistant Professor in the Department of Pharmacy Practice at Texas Tech University School of Pharmacy. For the past 18 years, she has also served (a joint appointment) as the clinical coordinator for pharmacy services at Community Pharmacy, an independently-owned pharmacy in Denton, Texas.

Professional Interests:

Her area of interest is in the development and implementation of clinical services within a community pharmacy. She provides Medication Therapy Management (MTM) consults, administers immunizations, and promotes self-care awareness to patients in the community pharmacy setting.

Personal interests:

She enjoys spending time with family, traveling, and any sports-related activities.

Current Resident:

Kelly Posthumus, Pharm.D.

PGY1 Community Pharmacy Resident

Email: Kelly.Posthumus@ttuhsc.edu

Hometown: Wheaton, Minnesota

Pharmacy School: North Dakota State University in Fargo, ND

About Kelly:

Kelly was born in Harlingen, TX and moved to Minnesota with her family when she was seven years old. She attended North Dakota State University for undergraduate and pharmacy school where she graduated with her Doctorate of Pharmacy degree in May of 2020.

Professional interests:

Independent community pharmacy, ambulatory care, ownership

Personal interests outside of the residency program:

Since I am new to the area, I enjoy finding fun things to do and new places to eat in DFW, going to the lake, walking my two dogs, and traveling.

Past Resident: 2019-2020

Robert Hetue, Pharm.D.

Community Pharmacist
Community Pharmacy (Denton, TX)

About Robert:

A resident of Honolulu, Hawaii for 14 years, Robert moved to Wisconsin and graduated from the UW-Madison School of Pharmacy.

Resident Research Project:

Impact of Pharmacy Delivery Services on Patient IUD Compliance
